CONFORMATION

The champion of the national show in Czech Republic! Sympa is a leader in size, power and style.

The bull to produce polled females of high level!

Perfect legs, very wide pelvis area and gret muscularity on hind quarter, that we expect from horned bulls and especially excellent harmony.

Sympa PP is a son of the well-known Lorenzo. Lorenzo is especially the father of top daughters, which can be seen at auctions in France, where today Lorenzo appears very often as a mother's sire. Sympa's dam has a milk production evaluation 107!
