CONFORMATION

Jules is an exceptionally interesting bull with a predisposition for very easy calving – estimated birth weight 38 kg and calving ease index 109. His sire is Hamlet. A bull with an amazing exterior, he is the son of a bull Dingo Agrochyt from our program and a mother imported from Ireland, Auroch Kalista, who is the granddaughter of the legendary cow Raceview Merle-Beauty. The mother's father is Baron Ležnický, who excels in very easy calving and milk production in his daughters. Jules is exceptional mainly due to his excellent hindquarters and back musculature. He is a bull of medium frame, which will be great for breeding with large-framed females where you need to improve musculature and body capacity.

PERFORMANCE TEST

weight 120 d	190	kg
weight 210 d.	333	kg
weight 365 d	573	kg
daily gain in test	1600	g
daily g. since birth	1447	g

EXTERIOR EVALUATION

Frame			Body capacity			Muscularity			Breeding type	Total
VT	DT	HM	PŠ	HH	DZ	PL	HŘ	ZÁ
